15 Gallon Concrete Recovery Vacuum

The **Crusader 15 Gallon Concrete Vacuum** has been very popular among concrete cutters in the industry who know how important it is to have a reliable vacuum. This machine is a continuous-duty vacuum and has been built to last. There is not a better vacuum made for concrete cutting and drilling cleanup. We guarantee it! The rugged polyethylene tank and powerful 2 hp 105" water lift motor will help you get the job done quickly & efficiently. This vacuum comes equipped with a filter bag for wet slurry recovery but can also be used for dry recovery with the proper filters (4049 coated bag, 4031 filter protector, 4013 disposable paper bag).

M1050-15-CC Shown above
