

4 Gallon Rechargeable Electric Sprayer

The **5000 rechargeable electric backpack sprayer** from Crusader is more than just an ordinary sprayer. It has a micro-processor control which allows the operator to select from 4 different pump speeds. It can deliver a delicate mist to a long range stream. This sprayer provides an even constant pressure spray without the dripping.

5000 Sprayer with the standard acid resistant wand.

Features

- Sprays up to 120 gallons continuously on a single charge
- Acid resistant wand, pump, and tank
- Advanced micro-processor pump control
- Four speeds and adjustable nozzle for light or heavy duty spraying
- Ultra comfortable ergonomic design with a fully padded shoulder harness and back pad
- Status lamp indicates when the power is on and blinks when the battery needs to be charged
