

55 Gallon Concrete Vacuums

The **55 gallon series vacuums** from Crusader are available for those large recovery jobs when a 15 or 30 gallon vacuum is just too small. They are affordable, powerful units designed to fit any standard steel drum. Add the sturdy 55 gallon cart (#8055-CART) available exclusively from Crusader for easy maneuverability across rough terrain on the jobsites. This vacuum comes equipped with a filter bag for wet slurry recovery but can also be used for dry recovery with the proper filters (4049 coated bag, 4031 filter protector).

M1050-55-CC with optional #8055-CART 55 gallon cart shown above. (Drum not included)

Comes with Crusader Standard Warranty

#8055-CART 55 Gallon Cart

The 55 gallon cart is made of heavy duty powder coated steel and is much more sturdy than a standard drum dolly. It features 10" pneumatic wheels and 4" heavy duty extra wide front casters for easy maneuverability across rough terrain.

#8055A Drum Adapter Only

For use with your existing powerhead, float cage assembly, filter bag, and hose from your 15 or 30 gallon vacuum

#4077 55 Gallon Drum Dolly

The 55 gallon drum dolly is an economical way to make a 55 gallon drum vacuum maneuverable. These are good for when the vacuum is not being moved around a whole lot, but still needs to be able to be moved for emptying, etc.

We have a large assortment of tools, attachments, and hoses available. Please see our vacuum tools and accessories literature or our website for more information.
